

Skills Checklist Name: _____ Date: _____

Do you have experience in the following?

Welding Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

MIG Welding Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

TIG Welding Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Stick Welding Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Fitting Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Manual Machining Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Lathe Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Vertical Mill Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Other _____

1 year or less 2-5 years 5 years or more

Please explain:

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

CNC Machining Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Lathe Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Vertical Mill Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Other

1 year or less 2-5 years 5 years or more

Please explain:

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Can you read G-code? Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Can you program your own parts at the console? Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Programming Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

ONECNC Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

GibbsCAM Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

FeatureCAM Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

MasterCAM Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Other

1 year or less 2-5 years 5 years or more

Please explain:

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Oxy Acetylene Cutting Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Operation of a Track Torch Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

CNC Plate Cutting Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Water Jet Operation Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Mechanical and Electrical Repair Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

Forklift Operation Yes No 1 year or less 2-5 years 5 years or more

Rate your proficiency on a scale of 1 to 5 (with 5 being the highest): _____

1. What types of parts have you TIG welded?

2. Types of metals that you have TIG welded?

3. Types of stainless steel that you have TIG welded?

4. Types of aluminum that you have TIG welded?
